

## **Wisznat/LeFavre Memorial Scholarship Update Information For High School Seniors and College Students**

With the wonderful news that the 2024 Wisznat/LeFavre Memorial Scholarship award will be increasing from \$750 to \$1000 for qualifying applicants, new guidelines have been established to recognize candidates as active church members, a mandatory component for our church scholarship. Below you will find a list of church-based activities with assigned point values. Each candidate will be required to accrue a minimum of 10 points over the course of a school year and log each of their actions in the Scholarship Applicants' Notebook located in the back of the church. As students are being notified of this change mid-year, they will only need to earn 5 points for the 2024 scholarship application by the mid-June deadline. This log will be one part of the application process that will become available in the spring.

Please note: *Candidates are responsible for recording each of their activities in the Scholarship Applicants' Notebook as they complete them.*

We look forward to seeing our students at church and send best wishes for the completion of the school year.
